CONFERENCE THE NETHERLANDS 2016

## Conference Circular Economy Make Cense

7th of June 2016

### Location

Municipality Peel en Maas, the Netherlands

We are facing a unique challenge to work together on a new future: Make Cense! We offer you an inspiring conference about the chances of circular economy with among others Jan Jonker, sustainable business professor.

The conference is powered by CENSE, COS Limburg, DuurzaamDoor, municipality Peel en Maas, GLOEI, Lijnspeel en ZERegio. With their passion for circular economy they bring pioneers, experts, developers and local initiatives together.

The conference will take place in the municipality Peel en Maas. The exact location will be send after registration and payment.

**Think with us and join us during this inspiring conference on June 7th.**

### The program and register

The varying program brings different themes on circular economy together. The conference consists of a joint session in the morning and various deepening sessions in the afternoon. In the afternoon program representative Daan Prevoo will speak about the sustainability policy of the province Limburg.

For registration and information about the program or location go to [www.peelenmaas.nl/ondernemers](http://www.peelenmaas.nl/ondernemers).

It is possible to register for the conference and indicate your preference for the deepening sessions until the 24th of May 2016.

### Costs

The registration fee is €35, including lunch.

Because of the international nature of the conference, parts of the program will be offered in Dutch as well as English.

Payment is only possible with IDEAL. Your registration is done once the payment has been made.

**A limited number of places is available, so be on time.**

### Contact
